**POWERING TRUST.
EMPOWERING
TOMORROW.**

A LEGACY OF ENERGY. A FUTURE OF EXCELLENCE.

ABOUT US

Radhika Enterprises was founded in

2007

with a vision to deliver reliable, high-performance battery solutions that power homes, businesses and industries.

With a strong commitment to quality, innovation and customer satisfaction, we have grown into a trusted name in the energy storage industry.

From the beginning, our focus has been simple – to build products that last longer, perform better and create value for our partners and customers.

Today, we power millions of lives with trust, technology and togetherness.

**PROUDLY
MADE IN INDIA
POWERING INDIA**

OUR FOUNDING LEGACY

FOUNDER

Shri Sajal Agarwal

Founded Radhika Enterprises in 2007 with a vision, values and unwavering dedication.

CARRYING THE LEGACY AHEAD

Continuing the journey with passion, innovation and commitment.

OUR JOURNEY SINCE 2007

• **2007**

Company established with a vision to deliver reliable energy solutions.

• **2010+**

Expanded product range and strengthened our distribution network across India.

• **2015+**

Invested in advanced technology and quality manufacturing processes.

• **2020+**

Built strong partnerships and became a trusted brand in the energy storage industry.

• **Today**

Continuing our commitment to innovation, quality and customer satisfaction.

16+
YEARS OF
EXPERIENCE

**WIDE RANGE
OF HIGH QUALITY
BATTERIES**

**PAN INDIA
PRESENCE**

**TRUSTED BY
THOUSANDS OF
CUSTOMERS**

**ADVANCED
TECHNOLOGY &
MANUFACTURING**

**QUALITY YOU
CAN TRUST
ALWAYS**

OUR VISION

To be India's most trusted battery brand, powering every home and business with innovative, sustainable and reliable energy solutions.

OUR MISSION

Deliver high-quality, long-lasting and high-performance battery solutions.

Continuously innovate and adopt advanced technology for better tomorrow.

Build strong relationships with our partners through trust, transparency and support.

Contribute to a greener and sustainable future by promoting clean energy.

Empower people and communities through reliable power.

QUALITY ASSURANCE

Quality is not just a promise, it's our commitment.

- ✓ Premium Grade Raw Materials
- ✓ Advanced Manufacturing Technology
- ✓ Strict Multi-Level Quality Checks
- ✓ High Performance & Long Life
- ✓ IS Standard Compliant
- ✓ Customer Satisfaction Guaranteed

OUR LEGACY. YOUR POWER.

Founded in 2007 by our visionary **Founder – Shri Sajal Agarwal**, Radhika Enterprises stands today as a symbol of trust, quality and innovation. With strong values and unmatched dedication, we continue to light up lives and empower a better tomorrow.

Shri Sajal Agarwal
(FOUNDER)

“

Our journey is built on trust, our growth is driven by passion and our future is powered by your faith in us.
